TRUSTEES

Section 2.1. General Powers. The Trustees shall have exclusive and absolute control over the Trust Property and over the business of the Trust to the same extent as if the Trustees were the sole owners of the Trust Property and business in their own right, but with such powers of delegation as may be permitted by this Declaration. The Trustees shall have power to conduct the business of the Trust and carry on its operations in any and all of its branches and maintain offices both within and without the Commonwealth of Massachusetts, in any and all states of the United States of America, in the District of Columbia, and in any and all commonwealths, territories, dependencies, colonies, possessions, agencies or instrumentalities of the United States of America and of foreign governments, and to do all such other things and execute all such instruments as they deem necessary, proper or desirable in order to promote the interests of the Trust although such things are not herein specifically mentioned. Any determination as to what is in the interests of the Trust made by the Trustees in good faith shall be conclusive. In construing the provisions of this Declaration, the presumption shall be in favor of a grant of power to the Trustees.

The enumeration of any specific power herein shall not be construed as limiting the aforesaid power. Such powers of the Trustees may be exercised without order of or resort to any court.

Section 2.2. Investments. The Trustees shall have the power:

(a) To operate as and carry on the business of an investment company, and exercise all the powers necessary and appropriate to the conduct of such operations.

(b) To invest in, hold for investment, or reinvest in, securities, including common and preferred stocks; warrants; bonds, debentures, bills, time notes and all other evidences of indebtedness; negotiable or non-negotiable instruments; government securities, including securities of any state, municipality or other political subdivision thereof, or any governmental or quasi-governmental agency or instrumentality; and money market instruments including bank certificates of deposit, finance paper, commercial paper, bankers acceptances and all kinds of repurchase agreements, of any corporation, company, trust, association, firm or other business organization however established, and of any country, state, municipality or other political subdivision, or any governmental or quasi-governmental agency or instrumentality.

(c) To acquire (by purchase, subscription or otherwise), to hold, to trade in and deal in, to acquire any rights or options to purchase or sell, to sell or otherwise dispose of, to lend, and to pledge any such securities and to enter into repurchase agreements and forward foreign currency exchange contracts, to purchase and sell futures contracts and options on futures contracts of all descriptions, to engage in all types of hedging and risk management transactions and to purchase or sell options, contracts on securities, securities indices and foreign currency.

(d) To exercise all rights, powers and privileges of ownership or interest in all securities and repurchase agreements included in the Trust Property, including the right to vote thereon and otherwise act with respect thereto and to do all acts for the preservation, protection, improvement and enhancement in value of all such securities and repurchase agreements.

(e) To acquire (by purchase, lease or otherwise) and to hold, use, maintain, develop and dispose of (by sale or otherwise) any property, real or personal, including cash, and any interest therein.

(f) To borrow money and in this connection issue notes or other evidence of indebtedness; to secure borrowings by mortgaging, pledging or otherwise subjecting as security the Trust Property; to endorse, guarantee, or undertake the performance of any obligation or engagement of any other Person and to lend Trust Property.

(g) To aid by further investment any corporation, company, trust, association or firm, any obligation of or interest in which is included in the Trust Property or in the affairs of which the Trustees have any direct or indirect interest; to do all acts and things designed to protect, preserve, improve or enhance the value of such obligation or interest, and to guarantee or become surety on any or all of the contracts, stocks, bonds, notes, debentures and other obligations of any such corporation, company, trust, association or firm.

(h) To enter into a plan of distribution and any related agreements whereby the Trust may finance directly or indirectly any activity which is primarily intended to result in the sale of Shares.

(i) In general to carry on any other business in connection with or incidental to any of the foregoing powers, to do everything necessary, suitable or proper for the accomplishment of any purpose or the attainment of any object or the furtherance of any power hereinbefore set forth, either alone or in association with others, and to do every other act or thing incidental or appurtenant to or growing out of or connected with the aforesaid business or purposes, objects or powers.

The foregoing clauses shall be construed both as objects and powers, and the foregoing enumeration of specific powers shall not be held to limit or restrict in any manner the general powers of the Trustees.

The Trustees shall not be limited to investing in obligations maturing before the possible termination of the Trust, nor shall the Trustees be limited by any law limiting the investments which may be made by fiduciaries.

Section 2.3. Legal Title. Legal title to all the Trust Property, including the property of any Series of the Trust, shall be vested in the Trustees as joint tenants except that the Trustees shall have power to cause legal title to any Trust Property to be held by or in the name of one or more of the Trustees, or in the name of the Trust, or in the name of any other Person as nominee, on such terms as the Trustees may determine, provided that the interest of the Trust therein is deemed appropriately protected. The right, title and interest of the Trustees in the Trust Property and the property of each

Series of the Trust shall vest automatically in each Person who may hereafter become a Trustee. Upon the termination of the term of office, resignation, removal or death of a Trustee he shall automatically cease to have any right, title or interest in any of the Trust Property or the property of any Series of the Trust, and the right, title and interest of such Trustee in the Trust Property shall vest automatically in the remaining Trustees. Such vesting and cessation of title shall be effective whether or not conveyancing documents have been executed and delivered.

Section 2.4. Issuance and Repurchase of Shares. The Trustees shall have the power to issue, sell, repurchase, redeem, retire, cancel, acquire, hold, resell, reissue, dispose of, transfer and otherwise deal in Shares and, subject to the provisions set forth in Articles VI and VII and Section 5.11 hereof, to apply to any such repurchase, redemption, retirement, cancellation or acquisition of Shares any funds or property of the particular Series of the Trust with respect to which such Shares are issued, whether capital or surplus or otherwise, to the full extent now or hereafter permitted by the laws of the Commonwealth of Massachusetts governing business corporations.

Section 2.5. Delegation; Committees. The Trustees shall have power to delegate from time to time to such of their number or to officers, employees or agents of the Trust the doing of such things and the execution of such instruments either in the name of the Trust or the names of the Trustees or otherwise as the Trustees may deem expedient, to the same extent as such delegation is permitted by the 1940 Act.

Section 2.6. Collection and Payment. The Trustees shall have power to collect all property due to the Trust; to pay all claims, including taxes, against the Trust Property; to prosecute, defend, compromise or abandon any claims relating to the Trust Property; to foreclose any security interest securing any obligations, by virtue of which any property is owed to the Trust; and to enter into releases, agreements and other instruments.

Section 2.7. Expenses. The Trustees shall have the power to incur and pay any expenses which in the opinion of the Trustees are necessary or incidental to carry out any of the purposes of this Declaration, and to pay reasonable compensation from the funds of the Trust to themselves as Trustees. The Trustees shall fix the compensation of all officers, employees and Trustees.

Section 2.8. Manner of Acting; By-laws. Except as otherwise provided herein or in the By-laws, any action to be taken

by the Trustees may be taken by a majority of the Trustees present at a meeting of Trustees (a quorum being present), including any meeting held by means of a conference telephone circuit or similar communications equipment by means of which all persons participating in the meeting can hear each other, or by written consents of the entire number of Trustees then in office. The Trustees may adopt By-laws not inconsistent with this Declaration to provide for the conduct of the business of the Trust and may amend or repeal such By-laws to the extent such power is not reserved to the Shareholders.

Notwithstanding the foregoing provisions of this Section 2.8 and in addition to such provisions or any other provision of this Declaration or of the By-laws, the Trustees may by resolution appoint a committee consisting of less than the whole number of Trustees then in office, which committee may be empowered to act for and bind the Trustees and the Trust, as if the acts of such committee were the acts of all the Trustees then in office, with respect to the institution, prosecution, dismissal, settlement, review or investigation of any action, suit or proceeding which shall be pending or threatened to be brought before any court, administrative agency or other adjudicatory body.

Section 2.9. Miscellaneous Powers. Subject to Section 5.11, hereof, the Trustees shall have the power to: (a) employ or contract with such Persons as the Trustees may deem desirable for the transaction of the business of the Trust; (b) enter into joint ventures, partnerships and any other combinations or associations; (c) remove Trustees or fill vacancies in or add to their number, elect and remove such officers and appoint and terminate such agents or employees as they consider appropriate, and appoint from their own number, and terminate, any one or more committees which may exercise some or all of the power and authority of the Trustees as the Trustees may determine; (d) purchase, and pay for out of Trust Property, insurance policies insuring the Shareholders, Trustees, officers, employees, agents, investment advisers, distributors, selected dealers or independent contractors of the Trust against all claims arising by reason of holding any such position or by reason of any action taken or omitted by any such Person in such capacity, whether or not constituting negligence, or whether or not the Trust would have the power to indemnify such Person against such liability; (e) establish pension, profit-sharing, Share purchase, and other retirement, incentive and benefit plans for any Trustees, officers, employees and agents of the Trust; (f) to the extent permitted by law, indemnify any person with whom the Trust has dealings, including the Investment Adviser, Distributor, Transfer Agent and selected dealers, to such extent as the Trustees shall determine; (g) guarantee indebtedness or contractual

obligations of others; (h) determine and change the fiscal year of the Trust and the method by which its accounts shall be kept; and (i) adopt a seal for the Trust, but the absence of such seal shall not impair the validity of any instrument executed on behalf of the Trust.

Section 2.10. Principal Transactions. Except in transactions not permitted by the 1940 Act or rules and regulations adopted by the Commission, the Trustees may, on behalf of the Trust, buy any securities from or sell any securities to, or lend any assets of the Trust to, any Trustee or officer of the Trust or any firm of which any such Trustee or officer is a member acting as principal, or have any such dealings with the Investment Adviser, Distributor or Transfer Agent or with any Interested Person of such Person; and the Trust may employ any such Person, or firm or company in which such Person is an Interested Person, as broker, legal counsel, registrar, transfer agent, dividend disbursing Agent or Custodian upon customary terms.

Section 2.11. Number of Trustees. The number of Trustees shall initially be one (1), and thereafter shall be such number as shall be fixed from time to time by a written instrument signed by a majority of the Trustees, provided, however, that the number of Trustees shall in no event be less than one (1) nor more than fifteen (15).

Section 2.12. Election and Term. Except for the Trustees named herein or appointed to fill vacancies pursuant to Section 2.14 hereof, the Trustees shall be elected by the Shareholders owning of record a plurality of the Shares voting at meeting of Shareholders on a date fixed by the Trustees. Except in the event of resignation or removals pursuant to Section 2.13 hereof, each Trustee shall hold office until the effective date of the initial registration statement under the Securities Act of 1933 relative to the Trust's shares, and thereafter until such time as less than a majority of the Trustees holding office have been elected by Shareholders. In such event the Trustees then in office will call a Shareholders' meeting for the election of Trustees. Except for the foregoing circumstances, the Trustees shall continue to hold office and may appoint successor Trustees.

Section 2.13. Resignation and Removal. Any Trustee may resign his trust (without the need for any prior or subsequent accounting) by an instrument in writing signed by him and delivered to the other Trustees and such resignation shall be effective upon such delivery, or at a later date according to the terms of the instrument. Any of the Trustees may be removed (provided the aggregate number of Trustees after such removal shall not be less than one) with cause, by the action

of two-thirds of the remaining Trustees. Upon the resignation or removal of a Trustee, or his otherwise ceasing to be a Trustee, he shall execute and deliver such documents as the remaining Trustees shall require for the purpose of conveying to the Trust or the remaining Trustees any Trust Property or property of any Series of the Trust held in the name of the resigning or removed Trustee. Upon the incapacity or death of any Trustee, his legal representative shall execute and deliver on his behalf such documents as the remaining Trustees shall require as provided in the preceding sentence.

Section 2.14. Vacancies. The term of office of a Trustee shall terminate and a vacancy shall occur in the event of the death, resignation, removal, bankruptcy, adjudicated incompetence or other incapacity to perform the duties of the office of a Trustee. No such vacancy shall operate to annul the Declaration or to revoke any existing agency created pursuant to the terms of the Declaration. In the case of an existing vacancy, including a vacancy existing by reason of an increase in the number of Trustees, subject to the provisions of Section 16(a) of the 1940 Act, the remaining Trustees shall fill such vacancy by the appointment of such other person as they in their discretion shall see fit, made by a written instrument signed by a majority of the Trustees then in office. Any such appointment shall not become effective, however, until the person named in the written instrument of appointment shall have accepted in writing such appointment and agreed in writing to be bound by the terms of the Declaration. An appointment of a Trustee may be made in anticipation of a vacancy to occur at a later date by reason of retirement, resignation or increase in the number of Trustees, provided that such appointment shall not become effective prior to such retirement, resignation or increase in the number of Trustees. Whenever a vacancy in the number of Trustees shall occur, until such vacancy is filled as provided in this Section 2.14, the Trustees in office, regardless of their number, shall have all the powers granted to the Trustees and shall discharge all the duties imposed upon the Trustees by the Declaration. A written instrument certifying the existence of such vacancy signed by a majority of the Trustees in office shall be conclusive evidence of the existence of such vacancy.

Section 2.15. Delegation of Power to Other Trustees Any Trustee may, by power of attorney, delegate his power for a period not exceeding six (6) months at any one time to any other Trustee or Trustees; provided that in no case shall less than two (2) Trustees personally exercise the powers granted to the Trustees under this Declaration except as herein otherwise expressly provided.

ARTICLE III

CONTRACTS

Section 3.1. Underwriting Contract. The Trustees may in their discretion from time to time enter into an exclusive or non-exclusive underwriting contract or contracts providing for the sale of the Shares, whereby the Trustees may either agree to sell the Shares to the other party to the contract or appoint such other party their sales agent for the Shares, and in either case on such terms and conditions if any, as may be prescribed in the By-laws, and such further terms and conditions as the Trustees may in their discretion determine not inconsistent with the provisions of this Article III or of the By-laws; and such contract may also provide for the repurchase of the Shares by such other party as agent of the Trustees.

Section 3.2. Advisory or Management Contract. The Trustees may in their discretion from time to time enter into an investment advisory or management contract or, if the Trustees establish multiple Series, separate investment advisory or management contracts with respect to one or more Series, whereby the other party to such contract or contracts shall undertake to manage the investment operations of the Trust or one or more Series and the compositions of the portfolio of the Trust or such Series, including the purchase, retention and disposition of securities and other assets, in accordance with the investment objectives, policies and restrictions of the Trust or such Series and all upon such terms and conditions as the Trustees may in their discretion determine, including the grant of authority to such other party to determine what securities shall be purchased or sold by the Trust or the applicable Series and what portion of its assets shall be uninvested, which authority shall include the power to make changes in the investments of the Trust or any Series.

The Trustees may also employ or authorize the Investment Adviser to employ, one or more sub-advisers from time to time to perform such of the acts and services of the Investment Adviser and upon such terms and conditions as may be agreed upon between the Investment Adviser and such sub-advisers and approved by the Trustees. Any reference in this Declaration to the Investment Adviser shall be deemed to include such sub-advisers unless the context otherwise requires.

Section 3.3. Affiliations of Trustees or Officers, Etc.
The fact that:

- (i) any of the Shareholders, Trustees or officers of the Trust is a shareholder, director, officer, partner, trustee, employee, manager, adviser or distributor of or

for any partnership, corporation, trust, association or other organization or of or for any parent or affiliate of any organization, with which a contract of the character described in Sections 3.1 or 3.2 above or for services as Custodian, Transfer Agent or disbursing agent or for related services may have been or may hereafter be made, or that any such organization, or any parent or affiliate thereof, is a Shareholder of or has an interest in the Trust, or that

(ii) any partnership, corporation, trust, association or other organization with which a contract of the character described in Sections 3.1 or 3.2 above or for services as Custodian, Transfer Agent or disbursing agent or for related services may have been or may hereafter be made also has any one or more of such contracts with one or more other partnerships, corporations, trusts, associations or other organizations, or has other business or interests,

shall not affect the validity of any such contract or disqualify any Shareholder, Trustee or officer of the Trust from voting upon or executing the same or create any liability or accountability to the Trust or its Shareholders.

Section 3.4. Compliance with 1940 Act. Any contract entered into pursuant to Sections 3.1 or 3.2 shall be consistent with and subject to the requirements of Section 15 of the Act of 1940 (including any amendment thereof or other applicable Act of Congress hereafter enacted), as modified by any applicable order or orders of the Commission with respect to its continuance in effect, its termination and the method of authorization and approval of such contract or renewal thereof.

ARTICLE IV

LIMITATIONS OF LIABILITY OF SHAREHOLDERS, TRUSTEES AND OTHERS

Section 4.1. No Personal Liability of Shareholders, Trustees, Etc. No Shareholder shall be subject to any personal liability whatsoever to any Person in connection with Trust Property or the acts, obligations or affairs of the Trust. No Trustee, officer, employee or agent of the Trust shall be subject to any personal liability whatsoever to any Person, other than to the Trust or its Shareholders, in connection with Trust Property or the affairs of the Trust, save only that arising from bad faith, willful misfeasance, gross negligence or reckless disregard of his duties with respect to such Person; and all such Persons shall look solely to the Trust Property for satisfaction of claims of any nature arising in

connection with the affairs of the Trust. If any Shareholder, Trustee, officer, employee, or agent, as such, of the Trust, is made a party to any suit or proceeding to enforce any such liability of the Trust, he shall not, on account thereof, be held to any personal liability. The Trust shall indemnify and hold each Shareholder harmless from and against all claims and liabilities, to which such Shareholder may become subject by reason of his being or having been a Shareholder, and shall reimburse such Shareholder for all legal and other expenses reasonably incurred by him in connection with any such claim or liability. The indemnification and reimbursement required by the preceding sentence shall be made only out of the assets of the one or more Series of which the Shareholder who is entitled to indemnification or reimbursement was a Shareholder at the time the act or event occurred which gave rise to the claim against or liability of said Shareholder. The rights accruing to a Shareholder under this Section 4.1 shall not impair any other right to which such Shareholder may be lawfully entitled, nor shall anything herein contained restrict the right of the Trust to indemnify or reimburse a Shareholder in any appropriate situation even though not specifically provided herein.

Section 4.2. Non-Liability of Trustees, Etc. No Trustee, officer, employee or agent of the Trust shall be liable to the Trust, its Shareholders, or to any Shareholder, Trustee, officer, employee, or agent thereof for any action or failure to act (including without limitation the failure to compel in any way any former or acting Trustee to redress any breach of trust) except for his own bad faith, willful misfeasance, gross negligence or reckless disregard of the duties involved in the conduct of his office.

Section 4.3. Mandatory Indemnification. (a) Subject to the exceptions and limitations contained in paragraph (b) below:

(i) every person who is, or has been, a Trustee or officer of the Trust shall be indemnified by the Trust to the fullest extent permitted by law against all liability and against all expenses reasonably incurred or paid by him in connection with any claim, action, suit or proceeding in which he becomes involved as a party or otherwise by virtue of his being or having been a Trustee or officer and against amounts paid or incurred by him in the settlement thereof;

(ii) the words "claim," "action," "suit," or "proceeding" shall apply to all claims, actions, suits or proceedings (civil, criminal, administrative or other, including appeals), actual or threatened; and the words "liability" and "expenses" shall include, without limitation, attorneys' fees, costs, judgments, amounts paid in settlement, fines, penalties and other liabilities.

(b) No indemnification shall be provided hereunder to a Trustee or officer:

(i) against any liability to the Trust, a Series thereof, or the Shareholders by reason of a final adjudication by a court or other body before which a proceeding was brought that he engaged in willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his office;

(ii) with respect to any matter as to which he shall have been finally adjudicated not to have acted in good faith in the reasonable belief that his action was in the best interest of the Trust;

(iii) in the event of a settlement or other disposition not involving a final adjudication as provided in paragraph (b)(i) or (b)(ii) resulting in a payment by a Trustee or officer, unless there has been a determination that such Trustee or officer did not engage in willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his office:

(A) by the court or other body approving the settlement or other disposition; or

(B) based upon a review of readily available facts (as opposed to a full trial-type inquiry) by (x) vote of a majority of the Disinterested Trustees acting on the matter (provided that a majority of the Disinterested Trustees then in office act on the matter) or (y) written opinion of independent legal counsel.

(c) The rights of indemnification herein provided may be insured against by policies maintained by the Trust, shall be severable, shall not affect any other rights to which any Trustee or officer may now or hereafter be entitled, shall continue as to a Person who has ceased to be such Trustee or officer and shall inure to the benefit of the heirs, executors, administrators and assigns of such a Person. Nothing contained herein shall affect any rights to indemnification to which personnel of the Trust other than Trustees and officers may be entitled by contract or otherwise under law.

(d) Expenses of preparation and presentation of a defense to any claim, action, suit or proceeding of the character described in paragraph (a) of this Section 4.3 may be advanced by the Trust prior to final disposition thereof upon receipt of an undertaking by or on behalf of the recipient to repay such amount if it is ultimately determined that he is not entitled

to indemnification under this Section 4.3, provided that either:

(i) such undertaking is secured by a surety bond or some other appropriate security provided by the recipient, or the Trust shall be insured against losses arising out of any such advances; or

(ii) a majority of the Disinterested Trustees acting on the matter (provided that a majority of the Disinterested Trustees act on the matter) or an independent legal counsel in a written opinion shall determine, based upon a review of readily available facts (as opposed to a full trial-type inquiry), that there is reason to believe that the recipient ultimately will be found entitled to indemnification.

As used in this Section 4.3, a "Disinterested Trustee" is one who is not (i) an Interested Person of the Trust (including anyone who has been exempted from being an Interested Person by any rule, regulation or order of the Commission), or (ii) involved in the claim, action, suit or proceeding.

Section 4.4. No Bond Required of Trustees. No Trustee shall be obligated to give any bond or other security for the performance of any of his duties hereunder.

Section 4.5. No Duty of Investigation; Notice in Trust Instruments, Etc. No purchaser, lender, transfer agent or other Person dealing with the Trustees or any officer, employee or agent of the Trust shall be bound to make any inquiry concerning the validity of any transaction purporting to be made by the Trustees or by said officer, employee or agent or be liable for the application of money or property paid, loaned, or delivered to or on the order of the Trustees or of said officer, employee or agent. Every obligation, contract, instrument, certificate, Share, other security of the Trust or undertaking, and every other act or thing whatsoever executed in connection with the Trust shall be conclusively presumed to have been executed or done by the executors thereof only in their capacity as Trustees under this Declaration or in their capacity as officers, employees or agents of the Trust. Every written obligation, contract, instrument, certificate, Share, other security of the Trust or undertaking made or issued by the Trustees may recite that the same is executed or made by them not individually, but as Trustees under the Declaration, and that the obligations of the Trust under any such instrument are not binding upon any of the Trustees or Shareholders individually, but bind only the Trust Property, and may contain any further recital which they or he may deem appropriate, but the omission of such recital shall not operate to bind the Trustees

individually. The Trustees shall at all times maintain insurance for the protection of the Trust Property, its Shareholders, Trustees, officers, employees and agents in such amount as the Trustees shall deem adequate to cover possible tort liability, and such other insurance as the Trustees in their sole judgment shall deem advisable.

Section 4.6. Reliance on Experts, Etc. Each Trustee and officer or employee of the Trust shall, in the performance of his duties, be fully and completely justified and protected with regard to any act or any failure to act resulting from reliance in good faith upon the books of account or other records of the Trust, upon an opinion of counsel, or upon reports made to the Trust by any of its officers or employees or by the Investment Adviser, the Distributor, Custodian, Transfer Agent, selected dealers, accountants, appraisers or other experts or consultants selected with reasonable care by the Trustees, officers or employees of the Trust, regardless of whether such counsel or expert may also be a Trustee.

ARTICLE V

SHARES OF BENEFICIAL INTEREST

Section 5.1. Beneficial Interest. The interest of the beneficiaries hereunder shall be divided into transferable Shares of beneficial interest, all of one class, except as provided in Section 5.11 hereof, (\$.01 par value). The number of Shares of beneficial interest authorized hereunder is unlimited. All Shares issued hereunder including, without limitation, Shares issued in connection with a dividend in Shares or a split of Shares, shall be fully paid and non-assessable.

Section 5.2. Rights of Shareholders.

(a) The ownership of the Trust Property and the property of each Series of the Trust of every description and the right to conduct any business hereinbefore described are vested exclusively in the Trustees, and the Shareholders shall have no interest therein other than the beneficial interest conferred by their Shares, and they shall have no right to call for any partition or division of any property, profits, rights or interests of the Trust nor can they be called upon to share or assume any losses of the Trust or suffer an assessment of any kind by virtue of their ownership of Shares. The Shares shall be personal property giving only the rights specifically set forth in this Declaration. The Shares shall not entitle the holder to preference, preemptive, appraisal, conversion or exchange rights, except as the Trustees may determine with respect to any Series of Shares.

(b) Every Shareholder, by virtue of having become a Shareholder, shall be held to have expressly assented and agreed to the terms hereof and to have become a party hereto.

Section 5.3. Trust Only. It is the intention of the Trustees to create only the relationship of Trustee and beneficiary between the Trustees and each Shareholder from time to time. It is not the intention of the Trustees to create a general partnership, limited partnership, joint stock association, corporation, bailment or any form of legal relationship other than a trust. Nothing in this Declaration of Trust shall be construed to make the Shareholders, either by themselves or with the Trustees, partners or members of a joint stock association.

Section 5.4. Issuance of Shares. The Trustees in their discretion may, from time to time without vote of the Shareholders, issue Shares, in addition to the then issued and outstanding Shares and Shares held in the treasury, to such party or parties and for such amount and type of consideration, including cash or property, at such time or times and on such terms as the Trustees may deem best, and may in such manner acquire other assets (including the acquisition of assets subject to, and in connection with the assumption of liabilities) and businesses. In connection with any issuance of Shares, the Trustees may issue fractional Shares and Shares held in the treasury. The Trustees may from time to time divide or combine the Shares into a greater or lesser number without thereby changing the proportionate beneficial interests in the Trust. Contributions to the Trust may be accepted for, and Shares shall be redeemed as, whole Shares and/or 1/1,000ths of a Share or integral multiples thereof.

Section 5.5. Register of Shares. A register shall be kept at the principal office of the Trust or an office of the Transfer Agent which shall contain the names and addresses of the Shareholders and the number of Shares held by them respectively and a record of all transfers thereof. Such register shall be conclusive as to who are the holders of the Shares and who shall be entitled to receive dividends or distributions or otherwise to exercise or enjoy the rights of Shareholders. No Shareholder shall be entitled to receive payment of any dividend or distribution, nor to have notice given to him as herein or in the By-laws provided, until he has given his address to the Transfer Agent or such other officer or agent of the Trustees as shall keep the said register for entry thereon. It is not contemplated that certificates will be issued for the Shares; however, the Trustees, in their discretion, may authorize the issuance of share certificates and promulgate appropriate rules and regulations as to their use.

Section 5.6. Transfer of Shares. Shares shall be transferable on the records of the Trust only by the record holder thereof or by his agent thereunto duly authorized in writing, upon delivery to the Trustees or the Transfer Agent of a duly executed instrument of transfer, together with such evidence of the genuineness of each such execution and authorization and of other matters as may reasonably be required. Upon such delivery the transfer shall be recorded on the register of the Trust. Until such record is made, the Shareholder of record shall be deemed to be the holder of such Shares for all purposes hereunder and neither the Trustees nor any Transfer Agent or registrar nor any officer, employee or agent of the Trust shall be affected by any notice of the proposed transfer.

Any person becoming entitled to any Shares in consequence of the death, bankruptcy, or incompetence of any Shareholder, or otherwise by operation of law, shall be recorded on the register of Shares as the holder of such Shares upon production of the proper evidence thereof to the Trustees or the Transfer Agent, but until such record is made, the Shareholder of record shall be deemed to be the holder of such Shares for all purposes hereunder and neither the Trustees nor any Transfer Agent or registrar nor any officer or agent of the Trust shall be affected by any notice of such death, bankruptcy or incompetence, or other operation of law.

Section 5.7. Notices. Any and all notices to which any Shareholder may be entitled and any and all communications shall be deemed duly served or given if mailed, postage prepaid, addressed to any Shareholder of record at his last known address as recorded on the register of the Trust. Annual or semi-annual reports and proxy statements need not be sent to a shareholder if (i) an annual or semi-annual report and a proxy statement for two consecutive shareholder meetings have been mailed to such Shareholder's address and have been returned as undeliverable or (ii) if all, and at least two, checks (if sent by first class mail) in payment of dividends or interest on Shares during a twelve month period have been mailed to such Shareholder's address and have been returned as undeliverable or (iii) in any other case in which a proxy statement concerning a meeting of security holders is not required to be given pursuant to the Commission's proxy rules as from time to time in effect the Securities Exchange Act of 1934, as amended. However, delivery of such annual or semi-annual reports and proxy statements and other communications shall resume once the Shareholder's current address is determined.

Section 5.8. Treasury Shares. Shares held in the treasury shall, until reissued pursuant to Section 5.4, not confer any voting rights on the Trustees, nor shall such Shares be entitled to any dividends or other distributions declared with respect to the Shares.

Section 5.9. Voting Powers. The Shareholders shall have power to vote only (i) for the election of Trustees as provided in Section 2.12; (ii) with respect to any investment advisory or management contract entered into pursuant to Section 3.2; (iii) with respect to termination of the Trust as provided in Section 8.2; (iv) with respect to any amendment of this Declaration to the extent and as provided in Section 8.3; (v) with respect to any merger, consolidation or sale of assets as provided in Section 8.4; (vi) with respect to incorporation of the Trust to the extent and as provided in Section 8.5; (vii) to the same extent as the stockholders of Massachusetts business corporation as to whether or not a court action, proceeding or claim should or should not be brought or maintained derivatively or as a class action on behalf of the Trust or the Shareholder; (viii) with respect to any plan adopted pursuant to Rule 12b-1 (or any successor rule) under the 1940 Act; and (ix) with respect to such additional matters relating to the Trust as may be required by this Declaration, the By-laws or any registration of the Trust as an investment company under the 1940 Act with the Commission (or any successor agency) or as the Trustees may consider necessary or desirable. Each whole Share shall be entitled to one vote as to any matter on which it is entitled to vote and each fractional Share shall be entitled to a proportionate fractional vote, except that the Trustees may, in conjunction with the establishment of any Series of Shares, establish conditions under which the several Series shall have separate voting rights or no voting rights. There shall be no cumulative voting in the election of Trustees. Until Shares are issued, the Trustees may exercise all rights of Shareholders and may take any action required by law, this Declaration or the By-laws to be taken by Shareholders. The By-laws may include further provisions for Shareholders' votes and meetings and related matters.

Section 5.10. Meetings of Shareholders. Meetings of Shareholders may be called at any time by the President, and shall be called by the President and Secretary at the request in writing or by resolution, of a majority of Trustees, or at the written request of the holder or holders of ten percent (10%) or more of the total number of Shares then issued and outstanding of the Trust entitled to vote at such meeting. Any such request shall state the purpose of the proposed meeting. Notice of a Shareholders' meeting need not be given to a Shareholder to whom such notice need not be given under the proxy rules of the Commission (or any successor agency) under the 1940 Act or the Securities Exchange Act of 1934, as amended.

Section 5.11. Series Designation. The Trustees, in their discretion, may authorize the division of Shares into two or more Series, and the different Series shall be established and designated, and the variations in the relative rights and

preferences as between the different Series shall be fixed and determined, by the Trustees; provided, that all Shares shall be identical except that there may be variations so fixed and determined between different Series as to investment objective, purchase price, allocation of expenses, right of redemption, special and relative rights as to dividends and on liquidation, conversion rights, and conditions under which the several Series shall have separate voting rights. All references to Shares in this Declaration shall be deemed to be Shares of any or all series as the context may require.

If the Trustees shall divide the Shares of the Trust into two or more Series, the following provisions shall be applicable:

(a) All provisions herein relating to the Trust shall apply equally to each Series of the Trust except as the context requires otherwise.

(b) The number of authorized Shares and the number of Shares of each Series that may be issued shall be unlimited. The Trustees may classify or reclassify any unissued Shares or any Shares previously issued and reacquired of any Series into one or more Series that may be established and designated from time to time. The Trustees may hold as treasury Shares (of the same or some other Series), reissue for such consideration and on such terms as they may determine, or cancel any Shares of any Series reacquired by the Trust at their discretion from time to time.

(c) All consideration received by the Trust from the issue or sale of Shares of a particular Series, together with all assets in which such consideration is invested or reinvested, all income, earnings, profits, and proceeds thereof, including any proceeds derived from the sale, exchange or liquidation of such assets, and any funds or payments derived from any reinvestment of such proceeds in whatever form the same may be, shall irrevocably belong to that Series for all purposes, subject only to the rights of creditors of such Series and except as may otherwise be required by applicable laws, and shall be so recorded upon the books of account of the Trust. In the event that there are any assets, income, earnings, profits, and proceeds thereof, funds, or payments which are not readily identifiable as belonging to any particular Series, the Trustees shall allocate them among any one or more of the Series established and designated from time to time in such manner and on such basis as they, in their sole discretion, deem fair and equitable. Each such allocation by the Trustees shall be conclusive and binding upon the Shareholders of all Series for all purposes.

(d) The assets belonging to each particular Series shall be charged with the liabilities of the Trust in respect of that Series and all expenses, costs, charges and reserves attributable to that Series, and any general liabilities, expenses, costs, charges or reserves of the Trust which are not readily identifiable as belonging to any particular Series shall be allocated and charged by the Trustees to and among any one or more of the Series established and designated from time to time in such manner and on such basis as the Trustees in their sole discretion deem fair and equitable. Each allocation of liabilities, expenses, costs, charges and reserves by the Trustees shall be conclusive and binding upon the Shareholders of all Series for all purposes. The Trustees shall have full discretion, to the extent not inconsistent with the 1940 Act, to determine which items are capital; and each such determination and allocation shall be conclusive and binding upon the Shareholders. The assets of a particular Series of the Trust shall, under no circumstances, be charged with liabilities attributable to any other Series of the Trust. All persons extending credit to, or contracting with or having any claim against a particular Series of the Trust shall look only to the assets of that particular Series for payment of such credit, contract or claim. No Shareholder or former Shareholder of any Series shall have any claim on or right to any assets allocated or belonging to any other Series.

(e) Each Share of a Series of the Trust shall represent a beneficial interest in the net assets of such Series. Each holder of Shares of a Series shall be entitled to receive his pro rata share of distributions of income and capital gains made with respect to such Series. Upon redemption of his Shares or indemnification for liabilities incurred by reason of his being or having been a Shareholder of a Series, such Shareholder shall be paid solely out of the funds and property of such Series of the Trust. Upon liquidation or termination of a Series of the Trust, Shareholders of such Series shall be entitled to receive a pro rata share of the net assets of such Series. A Shareholder of a particular Series of the Trust shall not be entitled to participate in a derivative or class action on behalf of any other Series or the Shareholders of any other Series of the Trust.

(f) Notwithstanding any other provision hereof, on any matter submitted to vote of Shareholders of the Trust, Shareholders of each Series shall vote separately as a class on any matter to the extent required by, and any matter shall be deemed to have been effectively acted upon with respect to any Series as provided in, Rule 18f-2, as from time to time in effect, under the 1940 Act, or any successor rule. The establishment and designation of any Series of Shares shall be effective upon the execution by a majority of the then Trustees

of an instrument setting forth such establishment and designation and the relative rights and preferences of such Series, or as otherwise provided in such instrument. At any time that there are no Shares outstanding of any particular Series previously established and designated, the Trustees may by an instrument executed by a majority of their number abolish that Series and the establishment and designation thereof. Except as otherwise provided in this Article V, the Trustees shall have the power to determine the designations, preferences, privileges, limitations and rights, of each class and Series of Shares. Each instrument referred to in this paragraph shall have the status of an amendment to this Declaration.

ARTICLE VI

REDEMPTION AND REPURCHASE OF SHARES

Section 6.1. Redemption of Shares. All Shares of the Trust shall be redeemable, at the redemption price determined in the manner set out in this Declaration. The Trust may require any Shareholder to pay a sales charge to the Trust, the underwriter, or any other person designated by the Trustees upon redemption or repurchase of Shares in such amount as shall be determined from time to time by the Trustees. Redeemed or repurchased Shares may be resold by the Trust.

The Trust shall redeem the Shares upon the appropriately verified written application of the record holder thereof (or upon such other form of request as the Trustees may determine) at such office or agency as may be designated from time to time for that purpose in the Trust's then effective prospectus under the Securities Act of 1933. The Trustees may from time to time specify additional conditions, not inconsistent with the 1940 Act, regarding the redemption of Shares in the Trust's then effective prospectus under the Securities Act of 1933.

Section 6.2. Price. Shares shall be redeemed at their net asset value determined as set forth in Section 7.1 hereof as of such time as the Trustees shall have theretofore prescribed by resolution. In the absence of such resolution, the redemption price of Shares deposited shall be the net asset value of such Shares next determined as set forth in Section 7.1 hereof after receipt of such application. The amount of any contingent deferred sales charge payable upon redemption of Shares may be deducted from the proceeds of such redemption.

Section 6.3. Payment. Payment for such Shares shall be made in cash or in property out of the assets of the relevant Series of the Trust to the Shareholder of record at such time and in the manner, not inconsistent with the 1940 Act or other applicable laws, as may be specified from time to time in the

Trust's then effective prospectus under the Securities Act of 1933, subject to the provisions of Section 6.4 hereof.

Section 6.4. Effect of Suspension of Determination of Net Asset Value. If, pursuant to Section 6.9 hereof, the Trustees shall declare a suspension of the determination of net asset value, the rights of Shareholders (including those who shall have applied for redemption pursuant to Section 6.1 hereof but who shall not yet have received payment) to have Shares redeemed and paid for by the Trust shall be suspended until the termination of such suspension is declared. Any record holder who shall have his redemption right so suspended may, during the period of such suspension, by appropriate written notice of revocation at the office or agency where application was made, revoke any application for redemption not honored and withdraw any certificates on deposit. The redemption price of Shares for which redemption applications have not been revoked shall be the net asset value of such Shares next determined as set forth in Section 7.1 after the termination of such suspension, and payment shall be made within seven (7) days after the date upon which the application was made plus the period after such application during which the determination of net asset value was suspended.

Section 6.5. Repurchase by Agreement. The Trust may repurchase Shares directly, or through the Distributor or another agent designated for the purpose, by agreement with the owner thereof at a price not exceeding the net asset value per Share determined as of the time when the purchase or contract of purchase is made or the net asset value as of any time which may be later determined pursuant to Section 7.1 hereof, provided payment is not made for the Shares prior to the time as of which such net asset value is determined.

Section 6.6. Redemption of Shareholder's Interest. The Trust shall have the right at any time without prior notice to the Shareholder to redeem Shares of any Shareholder for their then current net asset value per Share if at such time the Shareholder owns Shares having an aggregate net asset value of less than \$1,000 subject to such terms and conditions as the Trustees may approve, and subject to the Trust's giving general notice to all Shareholders of its intention to avail itself of such right, either by publication in the Trust's prospectus, if any, or by such other means as the Trustees may determine.

Section 6.7. Redemption of Shares in Order to Qualify as Regulated Investment Company; Disclosure of Holding. If the Trustees shall, at any time and in good faith, be of the opinion that direct or indirect ownership of Shares or other securities of the Trust has or may become concentrated in any Person to an extent which would disqualify any Series of the

Trust as a regulated investment company under the Internal Revenue Code, then the Trustees shall have the power by lot or other means deemed equitable by them (i) to call for redemption by any such Person a number, or principal amount, of Shares or other securities of the Trust sufficient to maintain or bring the direct or indirect ownership of Shares or other securities of the Trust into conformity with the requirements for such qualification and (ii) to refuse to transfer or issue Shares or other securities of the Trust to any Person whose acquisition of the Shares or other securities of the Trust in question would result in such disqualification. The redemption shall be effected at the redemption price and in the manner provided in Section 6.1.

The holders of Shares or other securities of the Trust shall upon demand disclose to the Trustees in writing such information with respect to direct and indirect ownership of Shares or other securities of the Trust as the Trustees deem necessary to comply with the provisions of the Internal Revenue Code, or to comply with the requirements of any other taxing authority.

Section 6.8. Reductions in Number of Outstanding Shares Pursuant to Net Asset Value Formula. The Trust may also reduce the number of Outstanding Shares pursuant to the provisions of Section 7.3.

Section 6.9. Suspension of Right of Redemption. The Trust may declare a suspension of the right of redemption or postpone the date of payment or redemption for the whole or any part of any period (i) during which the New York Stock Exchange is closed other than customary week-end and holiday closings, (ii) during which trading on the New York Stock Exchange is restricted, (iii) during which an emergency exists as a result of which disposal by the Trust of securities owned by it is not reasonably practicable or it is not reasonably practicable for the Trust fairly to determine the value of its net assets, or (iv) during any other period when the Commission may for the protection of Shareholders of the Trust by order permit suspension of the right of redemption or postponement of the date of payment or redemption; provided that applicable rules and regulations of the Commission shall govern as to whether the conditions prescribed in (ii), (iii), or (iv) exist. Such suspension shall take effect at such time as the Trust shall specify but not later than the close of business on the business day next following the declaration of suspension, and thereafter there shall be no right of redemption or payment on redemption until the Trust shall declare the suspension at an end, except that the suspension shall terminate in any event on the first day on which said stock exchange shall have reopened or the period specified in (ii) or (iii) shall have expired (as

to which in the absence of an official ruling by the Commission, the determination of the Trust shall be conclusive). In the case of a suspension of the right of redemption, a Shareholder may either withdraw his request for redemption or receive payment based on the net asset value existing after the termination of the suspension.

ARTICLE VII

DETERMINATION OF NET ASSET VALUE, NET INCOME AND DISTRIBUTION

Section 7.1. Net Asset Value. The value of the assets of any Series of the Trust shall be determined by appraisal of the securities allocated to such Series, such appraisal to be on the basis of the amortized cost of such securities in the case of money market securities, market value in the case of other securities, or by such other method as shall be deemed to reflect the fair value thereof, determined in good faith by or under the direction of the Trustees. From the total value of said assets, there shall be deducted all indebtedness, interest, taxes, payable or accrued, including estimated taxes on unrealized book profits, expenses and management charges accrued to the appraisal date, net income determined and declared as a distribution and all other items in the nature of liabilities attributable to such Series which shall be deemed appropriate. The resulting amount which shall represent the total net assets of the Series shall be divided by the number of Shares of such Series outstanding at the time and the quotient so obtained shall be deemed to be the net asset value of the Shares. The net asset value of the Shares shall be determined at least once on each business day, as of the close of trading on the New York Stock Exchange or as of such other time or times as the Trustees shall determine. The power and duty to make the daily calculations may be delegated by the Trustees to the Investment Adviser, the Custodian, the Transfer Agent or such other Person as the Trustees may determine by resolution or by approving a contract which delegates such duty to another Person. The Trustees may suspend the daily determination of net asset value to the extent permitted by the 1940 Act.

Section 7.2. Distributions to Shareholders. The Trustees shall from time to time distribute ratably among the Shareholders of a Series such proportion of the net profits, surplus (including paid-in surplus), capital, or assets of such Series held by the Trustees as they may deem proper. Such distributions may be made in cash or property (including without limitation any type of obligations of such Series or any assets thereof), and the Trustees may distribute ratably among the

Shareholders additional Shares of such Series issuable hereunder in such manner, at such times, and on such terms as the Trustees may deem proper. Such distributions may be among the Shareholders of record at the time of declaring a distribution or among the Shareholders of record at such other date or time or dates or times as the Trustees shall determine. The Trustees may in their discretion determine that, solely for the purposes of such distributions, Outstanding Shares shall exclude Shares for which orders have been placed subsequent to a specified time on the date the distribution is declared or on the next preceding day if the distribution is declared as of a day on which Boston banks are not open for business, all as described in the then effective prospectus under the Securities Act of 1933. The Trustees may always retain from the net profits such amount as they may deem necessary to pay the debts or expenses of the Series or to meet obligations of the Series, or as they may deem desirable to use in the conduct of its affairs or to retain for future requirements or extensions of the business. The Trustees may adopt and offer to Shareholders such dividend reinvestment plans, cash dividend payout plans or related plans as the Trustees shall deem appropriate.

Inasmuch as the computation of net income and gains for federal income tax purposes may vary from the computation thereof on the books, the above provisions shall be interpreted to give the Trustees the power in their discretion to distribute for any fiscal year as ordinary dividends and as capital gains distributions, respectively, additional amounts sufficient to enable the Trust or the Series to avoid or reduce liability for taxes.

Section 7.3. Declaration of Net Income; Constant Net Asset Value; Reduction of Outstanding Shares. Subject to Section 5.11 hereof, the net income of any Series of the Trust shall be determined in such manner as the Trustees shall provide by resolution. Expenses of the Trust or of a Series thereof, including the advisory or management fee, shall be accrued each day. Such net income may be determined by or under the direction of the Trustees as of the close of trading on the New York Stock Exchange on each day on which such Exchange is open or as of such other time or times as the Trustees shall determine, and, except as provided herein, all the net income of any Series of the Trust, as so determined, may be declared as a dividend on the Outstanding Shares of such Series. If, for any reason, the net income of any Series of the Trust determined at any time is a negative amount, the Trustees shall have the power with respect to such Series (i) to offset each Shareholder's pro rata share of such negative amount from the accrued dividend account of such Shareholder, or (ii) to reduce the number of Outstanding Shares of such Series by reducing the number of Shares in the account of such Shareholder by that number of

full and fractional Shares which represents the amount of such excess negative net income, or (iii) to cause to be recorded on the books of the Trust an asset account in the amount of such negative net income, which account may be reduced by the amount, provided that the same shall thereupon become the property of the Trust with respect to such Series and shall not be paid to any Shareholder, of dividends declared thereafter upon the Outstanding Shares of such Series on the day such negative net income is experienced, until such asset account is reduced to zero; or (iv) to combine the methods described in clauses (i) and (ii) and (iii) of this sentence, in order to cause the net asset value per Share of such Series to remain at a constant amount per Outstanding Share immediately after each such determination and declaration. The Trustees shall also have the power to fail to declare a dividend out of net income for the purpose of causing the net asset value per Share to be increased to a constant amount. The Trustees shall not be required to adopt, but may at any time adopt, discontinue or amend the practice of maintaining the net asset value per Share of a Series at a constant amount.

Section 7.4. Allocation Between Principal and Income. The Trustees shall have full discretion to determine whether any cash or property received shall be treated as income or as principal and whether any item of expense shall be charged to the income or the principal account, and their determination made in good faith shall be conclusive upon the Shareholders. In the case of stock dividends received, the Trustees shall have full discretion to determine, in the light of the particular circumstances, how much, if any of the value thereof shall be treated as income, the balance, if any, to be treated as principal.

Section 7.5. Power to Modify Foregoing Procedures. Notwithstanding any of the foregoing provisions of this Article VII, the Trustees may prescribe, in their absolute discretion, such other bases and times for determining the per Share net asset value of the Series' Shares or net income, or the declaration and payment of dividends and distributions as they may deem necessary or desirable.

ARTICLE VIII

DURATION; TERMINATION OF TRUST; AMENDMENT; MERGERS, ETC.

Section 8.1. Duration. The Trust shall continue without limitation of time but subject to the provisions of this Article VIII.

Section 8.2. Termination of Trust. (a) The Trust or any Series of the Trust may be terminated by the affirmative vote of the holders of not less than two-thirds of the Shares outstanding and entitled to vote, at any meeting of Shareholders or by an instrument in writing, without a meeting, signed by two-thirds of the Trustees and consented to by the holders of not less than a majority of such Shares, or by such other vote as may be established by the Trustees with respect to any Series of Shares. Upon the termination of the Trust or any Series of the Trust,

(i) The Trust or any Series of the Trust shall carry on no business except for the purpose of winding up its affairs.

(ii) The Trustees shall proceed to wind up the affairs of the Trust or any Series of the Trust and all of the powers of the Trustees under this Declaration shall continue until the affairs of the Trust or any Series of the Trust shall have been wound up, including the power to fulfill or discharge the contracts of the Trust or Series, collect its assets, sell, convey, assign, exchange, transfer or otherwise dispose of all or any part of the remaining Trust Property or property of the Series of the Trust to one or more persons at public or private sale for consideration which may consist in whole or in part of cash, securities or other property of any kind, discharge or pay its liabilities, and do all other acts appropriate to liquidate its business; provided that any sale, conveyance, assignment, exchange, transfer or other disposition of all or substantially all the Trust Property or property of the Series of the Trust shall require Shareholder approval in accordance with Section 8.4 hereof.

(iii) After paying or adequately providing for the payment of all liabilities, and upon receipt of such releases, indemnities and refunding agreements as they deem necessary for their protection, the Trustees may distribute the remaining Trust Property or property of the Series of the Trust, in cash or in kind or partly each, among the Shareholders according to their respective rights.

(b) After termination of the Trust or any Series of the Trust and distribution to the Shareholders as herein provided, a majority of the Trustees shall execute and lodge among the records of the Trust or Series an instrument in writing setting forth the fact of such termination, and the Trustees shall thereupon be discharged from all further liabilities and duties hereunder, and the rights and interests of all Shareholders of the Trust or Series of the Trust shall thereupon cease.

Section 8.3. Amendment Procedure. (a) This Declaration may be amended by a vote of the holders of a majority of the Shares outstanding and entitled to vote or by any instrument in writing, without a meeting, signed by a majority of the Trustees and consented to by the holders of a majority of the Shares outstanding and entitled to vote. Amendments shall be effective upon the taking of action as provided in this section or at such later time as shall be specified in the applicable rate or instrument. The Trustees may also amend this Declaration without the vote or consent of Shareholders duplicative if they deem it necessary to conform this Declaration to the requirements of applicable federal or state laws or regulations or the requirements of the regulated investment company provisions of the Internal Revenue Code (including those provisions of such Code relating to the retention of the exemption from federal income tax with respect to dividends paid by the Trust out of interest income received on Municipal Bonds), but the Trustees shall not be liable for failing so to do. The Trustees may also amend this Declaration without the vote or consent of Shareholders if they deem it necessary or desirable to change the name of the Trust or to make any other changes in the Declaration which do not materially adversely affect the rights of Shareholders hereunder.

(b) No amendment may be made under this Section 8.3 which would change any rights with respect to any Shares of the Trust by reducing the amount payable thereon upon liquidation of the Trust or by diminishing or eliminating any voting rights pertaining thereto, except with the vote or consent of the holders of two-thirds of the Shares outstanding and entitled to vote, or by such other vote as may be established by the Trustees with respect to any Series of Shares. Nothing contained in this Declaration shall permit the amendment of this Declaration to impair the exemption from personal liability of the Shareholders, Trustees, officers, employees and agents of the Trust or to permit assessments upon Shareholders.

(c) A certificate signed by a majority of the Trustees setting forth an amendment and reciting that it was duly adopted by the Shareholders or by the Trustees as aforesaid or a copy of the Declaration, as amended, and executed by a majority of the Trustees, shall be conclusive evidence of such amendment when lodged among the records of the Trust.

Notwithstanding any other provision hereof, until such time as a registration statement under the Securities Act of 1933, as amended, covering the first public offering of securities of the Trust shall have become effective, this Declaration may be terminated or amended in any respect by the affirmative vote of a majority of the Trustees or by an instrument signed by a majority of the Trustees.

Section 8.4. Merger, Consolidation and Sale of Assets.

The Trust or any Series thereof may merge or consolidate with any other corporation, association, trust or other organization or may sell, lease or exchange all or substantially all of the Trust Property, including its good will, upon such terms and conditions and for such consideration when and as authorized at any meeting of Shareholders called for the purpose by the affirmative vote of the holders of two-thirds of the Shares outstanding and entitled to vote, or by an instrument or instruments in writing without a meeting, consented to by the holders of two-thirds of the Shares or by such other vote as may be established by the Trustees with respect to any Series of Shares; and any such merger, consolidation, sale, lease or exchange shall be deemed for all purposes to have been accomplished under and pursuant to the statutes of the Commonwealth of Massachusetts.

Section 8.5. Incorporation. With the approval of the holders of a majority of the Shares outstanding and entitled to vote, or by such other vote as may be established by the Trustees with respect to any Series of Shares, the Trustees may cause to be organized or assist in organizing a corporation or corporations under the laws of any jurisdiction or any other trust, partnership, association or other organization to take over all of the Trust Property or to carry on any business in which the Trust shall directly or indirectly have any interest, and to sell, convey and transfer the Trust Property to any such corporation, trust, association or organization in exchange for the Shares or securities thereof or otherwise, and to lend money to, subscribe for the Shares or securities of, and enter into any contracts with any such corporation, trust, partnership, association or organization, or any corporation, partnership, trust, association or organization in which the Trust holds or is about to acquire shares or any other interest. The Trustees may also cause a merger or consolidation between the Trust or any successor thereto and any such corporation, trust, partnership, association or other organization if and to the extent permitted by law, as provided under the law then in effect. Nothing contained herein shall be construed as requiring approval of Shareholders for the Trustees to organize or assist in organizing one or more corporations, trusts, partnerships, associations or other organizations and selling, conveying or transferring a portion of the Trust Property to such organization or entities.

ARTICLE IX

REPORTS TO SHAREHOLDERS

The Trustees shall at least semi-annually submit to the Shareholders a written financial report, which may be included

in the Trust's prospectus or statement of additional information, of the transactions of the Trust, including financial statements which shall at least annually be certified by independent public accountants.

ARTICLE X

MISCELLANEOUS

Section 10.1. Filing. This Declaration and any amendment hereto shall be filed in the office of the Secretary of the Commonwealth of Massachusetts and in such other places as may be required under the laws of Massachusetts and may also be filed or recorded in such other places as the Trustees deem appropriate. Unless such amendment is embodied in an instrument which is signed by a majority of the Trustees. Each amendment so filed shall be accompanied by a certificate signed and acknowledged by a Trustee stating that such action was duly taken in a manner provided herein, and unless such amendment or such certificate sets forth some later time for the effectiveness of such amendment, such amendment shall be effective as provided in Section 8.3. A restated Declaration, integrating into a single instrument all of the provisions of the Declaration which are then in effect and operative, may be executed from time to time by a majority of the Trustees and shall, upon filing with the Secretary of the Commonwealth of Massachusetts, be conclusive evidence of all amendments contained therein and may hereafter be referred to in lieu of the original Declaration and the various amendments thereto. The restated Declaration may also include any amendment which the Trustees are empowered to adopt, whether or not such amendment has been adopted prior to the execution of the restated Declaration.

Section 10.2. Governing Law. This Declaration is executed by the Trustees and delivered in the Commonwealth of Massachusetts and with reference to the laws thereof, and the rights of all parties and the validity and construction of every provision hereof shall be subject to and construed according to the substantive laws of, and without regard to the choice of law rules of, said State.

Section 10.3. Counterparts. This Declaration may be simultaneously executed in several counterparts, each of which shall be deemed to be an original, and such counterparts, together, shall constitute one and the same instrument, which shall be sufficiently evidenced by any such original counterpart.

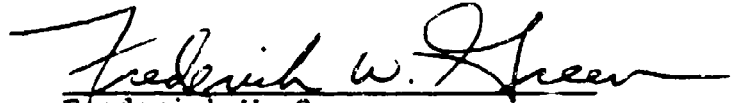

Section 10.4. Reliance by Third Parties. Any certificate executed by an individual who, according to the records of the Trust appears to be a Trustee hereunder, certifying to: (a) the number or identity of Trustees or Shareholders, (b) the due authorization of the execution of any instrument or writing, (c) the form of any vote passed at a meeting of Trustees or Shareholders, (d) the fact that the number of Trustees or Shareholders present at any meeting or executing any written instrument satisfies the requirements of this Declaration, (e) the form of any By-laws adopted by or the identity of any officers elected by the Trustees, or (f) the existence of any fact or facts which in any manner relate to the affairs of the Trust, shall be conclusive evidence as to the matters so certified in favor of any Person dealing with the Trustees and their successors.

Section 10.5. Provisions in Conflict with Law or Regulations.
